

How can an outdoor luminaire possibly deserve the name "Legacy," which features breakthrough Lighting technology? The answer is simple. There are at least three distinct reasons; Performance, design and function.

The Legacy is the perfect luminaire designed to replace existing post top fixtures saving seventy five percent energy while meeting IES minimum foot candle levels while improving light distribution and uniformity.

The Full Cutoff Dark Sky Legacy luminaire features LEDs recessed deep into the luminaire eliminating any direct glare. The Legacy also features a clear tempered safety glass lens with silicone gasket which improves fixture reliability.

Legacy is available from 18 to 102 watts and its scale is perfect to replace any wattage between 70-400 watt HID. The Legacy throws light four to five mounting heights in all directions which is a major light distribution improving existing optical technology. The Legacy features the Star Power Reflector system, a diffused 95 percent reflective low glare optical material.

Legacy is available in two different Kelvin temperatures of 3000, 4000 and 5000 in both Type 3 and 5 light distributions.

Legacy Shown with 2 Bar mounting option and Flat Lens

Legacy Shown with optional Fluted Holder + Arms (FH).

STAR POWER OPTICAL SYSTEM

The Star Power reflector is an excellent system which provides great value and performance.

LED WATTAGE CHART

	16L	32L	48L	64L
350 milliamps	18w	33w	51w	66w
530 milliamps	28w	54w	80w	102w

Project Name: _____ Type: _____

Cat #	Light Dist.	# of LED	Milliamps	Kelvin	Volts	Color	# of Bars	Mounting	Options
Legacy (LEG-1)	Type 3 (T3)	16 (16L)	350 (35)	3000K (30K)	120-277 (UNV)	Bronze (BRZ)	2 Bar (2B)	Post Top Over 2-3/8" OD (PT2)	Bird Spikes (BS)
	Type 5 (T5)	32 (32L)	530 (53)	4000K (40K)		White (WHT)	 3 Bar (3B)	Post Top Over 3" OD (PT3)	Marine Grade Finish (MGF)
		48 (48L)	5000K (50K)	Silver (SVR)	Mast Arm Fitter: (MAF)	FSP-211 with Motion Sensor (UNV Voltage) (FSP-8) *For 8' + Below (FSP-20) *For 9' to 20' (FSP-40) *For 21' to 40'			
		64 (64L)	Hunter Green (HGN)	Arm Mount (AM)	Photocell (PC)				
						Black (BLK)	Fluted Holder + 2 Bar (FH)	*Must Specify Voltage	
						Graphite (GPH)		*For Arm Mount, please select an Architectural Arm (AA) separately.	Motion Sensor (MS)
						Grey (GRY)			Surge Protector (10K)
						Custom (CS)			House Side Shield (HSS)
									Front Side Shield (FSS)

PRODUCT SPECIFICATIONS

Housing: Cast Aluminum

LED: Luxeon M Series by Lumileds

Optics: Star Power System; Type 3 and Type 5 Optics

Watts: 18-102

Electrical: UL 1598 Listed 

Driver: 0-10V Dimmable driver by Philips Advance

Kelvin: 3000, 4000 or 5000

Finish: 5 mils Powder Coat

Hardware: Stainless Steel

Warranty: Standard Warranty is 5 years for Driver and LEDs
