

Bull Horn Arms are constructed of 2-3/8" OD (11G) steel tubing and are available at 10", 14" or 24" lengths. Bull Horn Pole Mounted Top (BH-PMT) arms are welded as one piece, ready to slip over a round pole or tenon with black plastic snap-in end

caps. Bull Horn Pole Mounted Clamped arms (BH-PMC) can be installed onto round or square poles, secured with 3/8" stainless steel Allen Set Screws. Consult with factory for a custom configuration. Hardware not included.

Bull Horn Wood Pole
